A very useful addition to a travel guide if you want to know more than just facts about all the places to visit in Croatia. Recommended!3 of 5 people found the following review helpful. Perty thin (or maybe just hyper-PC)By MBzuluPretty thin -- or better yet, shallow as all heck. Helpful however if you've never been outside of Boise,Idaho.(imho). The author either has rather limited cultural knowledge relating to Croatia or has made the choice (PC?) to steer clear of topics and details that would appeal to the more inquisitively inclined harboring tastes for truly exploitable 'anthro-angles'. Could've done quite well w/o this purchase.0 of 0 people
