Ken Langdon : Cultivate a cool career (52 Brilliant Ideas) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Cultivate a cool career (52 Brilliant Ideas):

0 of 0 people found the following review helpful. Good start
By Remnant919
The basics on what to expect when searching for that ideal business, jump start your career and this eases the pain in wondering "what now?"

Whether you're fresh out of education or looking for a new direction in your existing career you need some new ideas to get you to the top. In Cultivate a cool career organisations expert Ken Langdon provides 52 brilliant ideas to put some zing into your career. With realistic and practical advice on everything from dealing delicately with the boss to proving your worth in a tight spot, via ideas on networking effectively and rubbing along with even the most useless of colleagues, Cultivate a cool career is your ticket to the MD's chair.

About the Author
Ken Langdon has had a very cool career. He's a full time writer now, but he's held senior positions in major corporations and has worked as a sales trainer around the world. He is deeply impressed by the 'creeping chaos' that surrounds organisations and their internal politics, and is determined to help his readers avoid drowning in them.
