William Leggett : Democratick Editorials (Essays in Jacksonian Political Economy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Democratick Editorials (Essays in Jacksonian Political Economy):

William Leggett (1801ndash;1839) was the intellectual leader of the laissez-faire wing of Jacksonian democracy. His diverse writings applied the principle of equal rights to liberty and property. These editorials maintain a historical and

contemporary relevance. Lawrence H. White is Professor of Economics at the University of Georgia.
