**Sonia McKay, Glynis D Morris, Andrea Oates : Finance Director's Handbook** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Finance Director's Handbook:

0 of 0 people found the following review helpful. This book discusses European currencies and regulations. The description ...By Denise SmithThis book discusses European currencies and regulations. The description of the book did not mention that. The seller said that this is the book we ordered but if we no longer wanted it we could return it at our expense.

Financial reporting is becoming more onerous and complex, particularly for listed companies. Accounting scandals have led to a greater regulatory focus on the role of audit committees, non-executive directors, risk management and

internal control which put the Finance Director under new and more stringent pressures. This quick reference manual provides extensive information on recent changes and authoritative coverage of all the financial operations a busy Finance Director has now to undertake. All the key business critical information is here in one book – everything a busy Finance Director needs access to. Written by professionals for professionals so that key information is easily accessed, assimilated and used. Detailed sections are devoted to audit, cash flow management, corporate transactions, financial reporting, management accounting, taxation and treasury and risk management.\* the vast range of business critical issues is constantly changing - to help you stay up to date, included in the price of the book are free regular on-line downloads of updates to legislation/standards\* packed with over 1000 pages, on key areas such as audit, company law, corporate governance, financial reporting, investor relations - you'll never be stuck for an answer again \* stay on top of the waves of legislation and standards as they roll in with the help of specialists in the field
