**Peter Atrill, Eddie McLaney : Financial Accounting for Decision Makers 8th edn** before purchasing it in order to gage whether or not it would be worth my time, and all praised Financial Accounting for Decision Makers 8th edn:

With a comprehensive and accessible introduction to the subject, Financial Accounting for Decision Makers focuses on the ways in which financial statements and information can be used to improve the quality of decision making. The practical emphasis throughout the book ensures the material is always relevant, whilst the authors' style of introducing topics gradually and explaining technical terminology in a clear, friendly style caters for all students, whether on specialist accounting or non-specialist business degrees.

About the Author Peter Atrill is a freelance academic and author working with leading institutions in the UK, Europe and SE Asia.
