**Clive Marsh : Financial Management for Non-Financial Managers (Strategic Success)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Financial Management for Non-Financial Managers (Strategic Success):

Financial Management for Non-Financial Managers is an accessible, practical and easy to understand guide that will allow any manager to gain confidence in understanding financial matters, managing a budget and dealing with

bankers, accountants and finance professionals. A source of invaluable expert advice on all the essential aspects of financial management within the context of running a business, it covers: business structures, accounting and financial statements, analysis and ratios, planning, budgeting, product and service costing, setting selling prices, investment appraisal, finance and working capital, taxation and international transactions. This book explains financial literacy in the context of management, showing how improved awareness of finances can lead to increased value creation and protection for your business. Aimed at the practicing business manager, *Financial Management for Non-Financial Managers* includes case studies, spreadsheets and worked examples to accompany key skills and practices explained in the book.
