From Routledge : Financial Stability and Central Banks: A Global Perspective (CENTRAL BANK GOVERNOR'S SYMPOSIUM) before purchasing it in order to gage whether or not it would be worth my time, and all praised Financial Stability and Central Banks: A Global Perspective (CENTRAL BANK GOVERNOR'S SYMPOSIUM):

An overview of present day thought on the very topical subject of financial stability and central banking. The papers, written by leading researchers, provide a highly informed account of contemporary policy issues and explore the legal, regulatory, managerial and economic issues that affect central banks.
