**International Monetary Fund : Financial Systems and Labor Markets in the Gulf Cooperation Council Countries** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Financial Systems and Labor Markets in the Gulf Cooperation Council Countries:

This volume comprises two separate papers on key structural aspects of the reform process in the Gulf Cooperation Council countries. The first paper addresses issues related to financial intermediation and reform in the context of the evolving economic environment in the GCC countries. The second discusses the labor market challenges and policy

issues in the GCC countries and their implications for the Middle East and North Africa (MENA) region.
