International Monetary Fund : Frameworks for Monetary Stability: Policy Issues and Country Experiences before purchasing it in order to gauge whether or not it would be worth my time, and all praised Frameworks for Monetary Stability: Policy Issues and Country Experiences:

This book, edited by Tomás J.T. Balliño and Carlo Cottarelli, addresses some of the strategic issues faced

by policymakers in the choice of a monetary regime. Following an overview of some of these issues, the book considers the various theoretical or practical frameworks for the implementation of monetary policy. It then focuses on how monetary policy should be implemented.
