JOE DICHIARA : From Myths to Money: How to Turn Old Ideas about Business Failure into Massive Success before purchasing it in order to gage whether or not it would be worth my time, and all praised From Myths to Money: How to Turn Old Ideas about Business Failure into Massive Success:

0 of 0 people found the following review helpful. Very good book!By CustomerI loved this book! It talks a lot about your mindset when it comes to money and business. It had very good references and recommendations.

From Myths To Money addresses how anyone can succeed in their own business regardless of their present circumstances. It doesn't matter how much money you have, who you know or even how much you know or don't know. After reading this book the reader will be able to toss away those age old misconceptions about business failures and know precisely what can be done to get on a path to success-immediately. This easy read will empower the reader to not only act but inspire those around them to do likewise. There is a real Science of Getting Rich and it's available to everyone everywhere. The information and instructions contained in this book are practical, doable and can be put to use right away-without spending a penny! Readers will gain a new understanding of exactly what they can start doing to succeed in any business, no matter what their present circumstances
