1 of 1 people found the following review helpful. Reasonable tips to live on a tighter budgetBy J. CardThis book will help you save money if you follow the hints, tips and ideas and could pay for itself if you follow what it says. Another book is Jerry Baker's It Pays to be Cheap! That book will pay for itself too. I bought both of them after borrowing from the library. I found these two to be the most helpful of all that I borrowed in effort to live on a tighter budget,while being reasonable.0 of 0 people found the following review helpful.
