**Kamal Ghosh Ray : Mergers and Acquisitions: Strategy, Valuation and Integration** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Mergers and Acquisitions: Strategy, Valuation and Integration:

2 of 4 people found the following review helpful. I never got this book By Eric I bought this item but never received it. After series of complains I was told it was shipped by DHL and they could not locate my address and therefore the book was disposed off. I was surprised to hear that, in that I was never contacted to provide any alternate address. I was promised the money will be refunded to me but I never got any notification about refund from the seller nor . I think the seller just does not care.
