Kathleen Kuuml;hnel : Microcredits and peer-to-peer lending as financing tools for start-ups in Germany
before purchasing it in order to gage whether or not it would be worth my time, and all praised Microcredits and peer-to-peer lending as financing tools for start-ups in Germany:

Bachelor Thesis from the year 2011 in the subject Business economics - Investment and Finance, grade: 1,3, The FOM University of Applied Sciences, Hamburg (Wirtschaftswissenschaften), language: English, abstract: Both alternative financing models, microcredit and p2p lending, opened huge possibilities to support so-called

ldquo;unbankablesrdquo; on their way out of poverty, unemployment and social exclusion. How they work, what impact they have on the German start-up endeavour and which kind of obstacles still remain that they need to overcome will be investigated in the paper at hand.
