From Routledge : Microeconomic Analysis (Routledge Revivals): Essays in Microeconomics and Economic Development before purchasing it in order to gage whether or not it would be worth my time, and all praised Microeconomic Analysis (Routledge Revivals): Essays in Microeconomics and Economic Development:

First published in 1981, this book brings together a collection of essays on microeconomics and development presented at the conference of the Association of University Teachers of Economics. Topics covered include the intergenerational transfer of economic inequality, a review of the recent development in the theory of equity in the economy's distribution and production process, labour and unemployment, market structure and international trade, taxation and the public sector, Third World industrialisation and Indian agriculture. This book will be of interest to students of Economics and Development Studies.
