Emily Bennington : Miracles at Work: Turning Inner Guidance into Outer Influence before purchasing it in order to gage whether or not it would be worth my time, and all praised Miracles at Work: Turning Inner Guidance into Outer Influence:

4 of 4 people found the following review helpful. is powerful beyond your human understanding but needs you to say the words "I'm willing to see the love in thisBy CustomerMiracles At Work was a miracle for me at a time in my career when I felt very shaky, lost, exhausted and thinking "there's got to be more to work....to life....than this. If I'm an extension of God's creative force and magnitude why do I feel completely void of any creativity and grasping in the dark for an ounce of Magnitude." Emily is a gifted writer and coach as she walks her talk. With Miracles At Work she

gently takes you by the hand and reminds you that you have never been alone, that the core of your being has never left you, loves you infinitely, is powerful beyond your human understanding but needs you to say the words "I'm willing to see the love in this... person, conversation, moment..." I love this book and refer to often, sometimes daily. It brings me peace and fills my heart. I know it will do the same for you, just open your mind and heart and be willing.

2 of 2 people found the following review helpful. Amazing!!!

By Giovanna
Your book helped me with my misguided ego thinking "conscious leadership and spiritual intelligence is too woo-woo for people to pay to learn or for me to offer the world"

hellip; Your book validated my work in the world and I can't tell you how impactful that was to me

hellip; I literally screamed and cried "EXACTLY" hellip; YES" as I read each chapter!

It's quote; highlighted beyond recognition and I even added Marianne's quote from the forward to my website home page!

By Barry Brownstein
In *Miracles at Work*, Emily Bennington has provided an outstanding guide to using spiritual intelligence at work. If you're thinking this is a book about thinking positive thoughts and then getting what you want, you would be wrong. Instead, this book takes a deep dive into understanding the many ways our ego blocks our natural inheritance of God's Love. The result of our ego's efforts is more stress, more strife, and poor relationships at work and home. The framework Bennington uses is *A Course in Miracles*. The book also serves as one of the better introductions to *A Course in Miracles*, clearly conveying its teachings without sugarcoating its radical message.

Millions have embraced the insights of *A Course in Miracles* as a source of vision, empowerment, and deeper connection with others. For years, author and career expert Emily Bennington has quietly drawn upon this inspired text's most useful principles to help thousands succeed in their vocations. With *Miracles at Work*, she invites kindred spirits—those who yearn to bring their spiritual selves into their professional lives—to begin the adventure.

nbsp; Merging principles of the Course with her own proven strategies for on-the-job success, Emily illuminates for readers at any career stage how to: liberate yourself from self-defeating patterns and tune into opportunities; transform conflicts with difficult people; respond to challenges with calmness and wisdom; and draw from the well of energy and universal wisdom available to all of us

nbsp;

Guiding the reader through everyday work situations that all modern professionals can relate to, *Miracles at Work* articulates a path out of hell for the harried, stressed-out employer and employee. As we switch from primary identification with our worldly roles to identification with our spiritual function as practitioners of love and forgiveness, we don't find ourselves less effective at work; rather, the opposite. We find ourselves calmer, more peaceful, and more appreciated by others.

mdash; From the Foreword by Marianne Williamson

nbsp; "A gem of insight!"

mdash; Christine Hassler, author of *Expectation Hangover*

"Miracles at Work shows you how to transform the world of work from labor to love, competition to grace, and chronic busyness to meaningful success."

mdash; Robert Holden, author of *Authentic Success and Holy Shift! 365 Daily Meditations from A Course in Miracles*

"Practical and aligned with spiritual knowing."

mdash; Robyn Youkilis, author of *Go with Your Gut*
