Alfio Bardolla : Money Makes You Happy before purchasing it in order to gauge whether or not it would be worth my time, and all praised Money Makes You Happy:

Do you want to become financially free? This book shows you the proven system to create alternative stable income and gain more freedom. Alfio Bardolla, the leading financial coach teaches us how to properly manage and live off of our private income. He shares his insights into investment principles and techniques, based upon over ten years

of experience in wealth coaching and management. In this one-of-a-kind book, you will learn:

- How to recognize and change your negative beliefs about money and wealth;
- How to create wealth by investing in real estate, without putting your finances at risk;
- How to invest in the stock market and achieve positive returns, even in times of market depreciation;
- How to become a real entrepreneur, creating a system that allows you to gain more free time and money.
- How to effectively utilize your intelligence and time, outweighing your lack of capital to invest;
- How to create automated systems for your finances, generating wealth 24 hours a day, 7 days a week, 365 days a year.

If you have yet to achieve financial success, the reason why is straightforward: no one has taught you how. In this book, Alfio Bardolla shares his knowledge explained through his keynote seminars, detailing all you need to know about to become financially free. Practical and revolutionary, *Money Makes you Happy* defines a new way of thinking about our finances and wealth, and will start you on the path to financial wellness and most importantly, to a life of contentment, pleasure and satisfaction.
