Anthony E. Zuiker, Todd Gold : Mr. CSI: How a Vegas Dreamer Made a Killing in Hollywood, One Body at a Time before purchasing it in order to gage whether or not it would be worth my time, and all praised Mr. CSI: How a Vegas Dreamer Made a Killing in Hollywood, One Body at a Time:

0 of 0 people found the following review helpful. Fabulous and Inspiring!! Anthony Zuiker is my hero!By CustomerCSI was groundbreaking, interesting, and thrilling and this book shows this brilliant man's journey. Such a fluid and fascinating read!0 of 0 people found the following review helpful. fun read. I expected to learn about the CSI

...By mshsteach This was a quick, fun read. I expected to learn about the CSI phenomenon but learned so much more. I liked how he intertwined his father's suicide and how he dealt with his past. 0 of 0 people found the following review helpful. Good purchase By David H. Williams I had wanted to read this book as I had questions about the author's history. These questions were answered sufficiently. The book arrived in good condition, readable pages.

The creator of CSI delves into the mysteries of his father's tragic death and his own unlikely rise in Hollywood using the very techniques he has honed by working on his hit shows, CSI, CSI: Miami, and CSI: New York. Deeply felt and insightful, Anthony Zuiker's searing memoir of dreams and losses, successes and heartbreaks, is not only a behind-the-scenes look at television's most-watched drama, but an essential guide for aspiring script writers and filmmakers, featuring practical tips and inspiring lessons to help tomorrow's writers succeed today. Fans of crime dramas, anyone who dreams of unraveling the mysteries of their own story, and everyone who dreams of making it big will find themselves immediately drawn in by the one-of-a-kind story of the man who made it: Mr. CSI.

From the Back Cover In 1990, Anthony Zuiker was just another Hollywood wannabe—a balding, overweight guy driving a tram in Las Vegas for eight bucks an hour, telling his friends about the screenplay he was writing, dreaming of fame. He'd grown up in Vegas, where his mother worked the blackjack table at a casino, while his father flitted back and forth from investment schemes that didn't seem to go anywhere. His friends figured Anthony wouldn't either. But twenty years later, Zuiker stands as the mastermind behind the most popular television show in history, CSI: Crime Scene Investigation, and its spin-offs: CSI: Miami and CSI: NY. How he got there—a remarkable rise from nothing to something—is the narrative lifeblood of Mr. CSI, only, like the show itself, there's a catch: On a January morning in 2005, Zuiker got a call from the Las Vegas Police Department while he was working at his desk on a script for CSI: NY. His estranged father, whom Zuiker hadn't seen for a decade, had put a shotgun in his mouth and pulled the trigger. So begins Mr. CSI, a book that frames Zuiker's astonishing ascendency to fame and fortune with an unsettling and honest appraisal of his father's suicide. It's a book that uses the conventions that have made CSI a worldwide success to tell a far more personal story, of what one man left behind in his success and what he gained when he returned. About the Author Anthony E. Zuiker is the creator and executive producer of the most watched television show in the world, CSI: Crime Scene Investigation, as well as CSI: Miami and CSI: NY. He is also the author of the bestselling novels Level 26: Dark Origins, Dark Prophecy, and Dark Revelations. He lives in Los Angeles, California.
