**Carolyn Boyes : NLP (Collins Business Secrets)** before purchasing it in order to gage whether or not it would be worth my time, and all praised NLP (Collins Business Secrets):

1 of 1 people found the following review helpful. Easy read, simple to follow, instant results in your life!By tony norriegreat page / chapter layout...easy to apply life business principles...it worked from the first day..the book layout is amazing as the chapter titles preview the topic and at the end of each two (2) page chapter is a quick refresher summary of the the topic covered...so daily it is easy to revise a previous read...i used this technique before reading on if a day had lapsed from the last read...a must have book to be kept by your side...thank you carolyn...

The NLP secrets that experts and top professionals use. Get results fast with this quick, easy guide to the fundamentals of NLP (neuro linguistic programming) Includes how to:

- Identify role models and study how they communicate
- Build instant rapport in any business situation
- Understand the body language of colleagues and competitors
