Glynis D. Morris, Patrick Dunne : Non-Executive Director's Handbook (CIMA Professional Handbook) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Non-Executive Director's Handbook (CIMA Professional Handbook):

The Non-executive Directors Handbook is an indispensable guide that deals with the changing role and responsibilities of the Non-Executive Director in companies today. It recognises the increasing importance of the position, the growing pressures on Non-Executive Directors and the need for full compliance with the latest legislation and

regulation in order to avoid heavy fines and penalties. This book provides practical information and guidance on all aspects of the role. Written specially for and about non-executive directors the book incorporates useful checklists and summaries. Updated material includes: corporate strategy; risk management; ethics (Global Reporting Initiatives (GRI)); governance (covers current version of the Combined Code); how to improve a company's efficiency and effectiveness; International Standards on Auditing (ISAs); and updates for recent developments of the impact of Sarbanes-Oxley Act. Best-practice guidelines on all the duties and responsibilities of non-executive directors Full coverage of corporate strategy, risk management, ethics (especially in line with Global Reporting Initiative [GRI] guidelines), and governance Shows how to improve a company's efficiency and effectiveness

Baroness Hogg, Chairman of the 3i Group Plc quotes the best non-executive directors as possessing 'energy and engagement, knowledge, judgement and influencing skills'. She adds, 'the commitment of non-executives has never been greater, something which continues to make the role so professionally rewarding. The speed of change in the regulatory environment makes this second edition a welcome update to what has become a classic. It will undoubtedly prove as useful as the first'. About the Author A highly experienced business advisor and author
